

# Internationalization Synthesis

Sage Commons Congress

23/24 April 2010

# Audacious!

- *Generate Road Map for **IP, Privacy and Norms Policy Declaration** for Ultimate Buy-In from:*
  - Funders
  - Scientists
  - Institutions
  - Patients
  - Public

# Moderate Goal:

## Engagement & Research

- Expand Working Group
- Engage stakeholders
  - Interviews and surveys
  - Meetings: leverage international fora that have large scale science data/policy conversations
- Hold globally representative stakeholder meeting to discuss declaration road map
- Choose success stories from different stakeholders for case study analysis, initial research

# Additional Steps

- *Integrated information resource repository* for international **ethical, legal, social and cultural**
  - principles
  - solutions -
  - policiesrelated to the **use and sharing** of
  - clinical data
  - genomic data/models/software
  - regulations of funders

# Additional Steps

- Educational and training: focus on next generation

# Crowd Sourcing?

- Workshops/meetings /interviews/surveys
- Funding opportunities will be explored

# Getting involved!

- Please send us your suggestions
- Be part of the working group
